

MycorrPlus™ O

with

MycorrPlus is the new name for **GroPAL Balance™**

A Natural Soil Amendment

Guaranteed Analysis:

0 - 0 - 0.7

Soluble Potash (K ₂ O)	0.7%
Magnesium (Mg)	1.9%
Chloride (Cl)	5.8%
Sodium (Na)	0.6%

Derived From: Potassium Sulfate, Potassium Chloride, Magnesium Chloride and Sodium Chloride.

DIRECTIONS: Broadcast in a 20 to 40+ gal./acre tank mix. If applied before a rain or watered in, or if worked in or applied in-the-row, on-the-seed, you may use as little as a 3 GPA tank mix.

Please loosen lid while product is in storage to allow venting

Apply 32 to 64 oz. per acre 1 or 2 times a year. MycorrPlus-O needs water to carry it into the soil, and needs 1.1" of soil moisture for it to really take off. It may be applied at the rate of 5 gallons per 250,000 gallons to lagoon water, and 12 oz. per cubic yard to manure.

If there is any Fungus growing on top of MycorrPlus, screen off before applying.

If MycorrPlus-O is applied with fish or kelp, add MycorrPlus-O to the tank first, add water, then add the other item. Not compatible with most other items. Always jar test before applying another product with MycorrPlus-O. Best applied with non-chlorinated water. Five-year shelf life if stored above 0° F., below 100° F, and out of direct sunlight.

AG-USA makes no warranties of any kind, express or implied with respect to MycorrPlus-O. When applied as directed: This product meets the guidelines for metals adopted by the Association of American Plant Food Control Officials. Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.htm>

Manufactured by:
AG-USA, LLC

PO Box 73858, Newnan, GA 30271
1-888-588-3139 www.AG-USA.net

5 US Gallons (18.9 liters) Lot # 1-18

Net weight, 9.8 pounds per Gallon (1.17 kg. per liter)
